About Us

Between 1992 and 1999, the business known as IBFCAugusto Training Limited, was carried out in the training divisions of two related companies. In 1999, it became a joint venture training business and was later incorporated into a limited liability company (IBFCAugusto Training Limited) in 2001.

Effective 1st of July 2014, consequent upon a business restructuring exercise, IBFCAugusto Training Ltd and Alliance Consulting (one of its owner's firm) combined their businesses to form IBFCAlliance Limited. Over the years, the company has provided bespoke training courses and seminars in the Nigerian market and beyond.

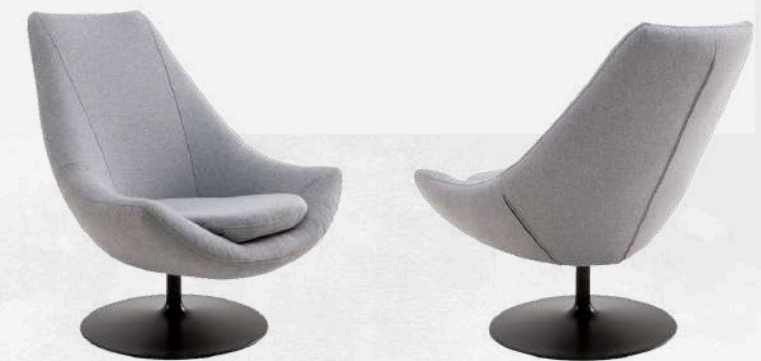

ABOUT US

Partnering for **PERFORMANCE**

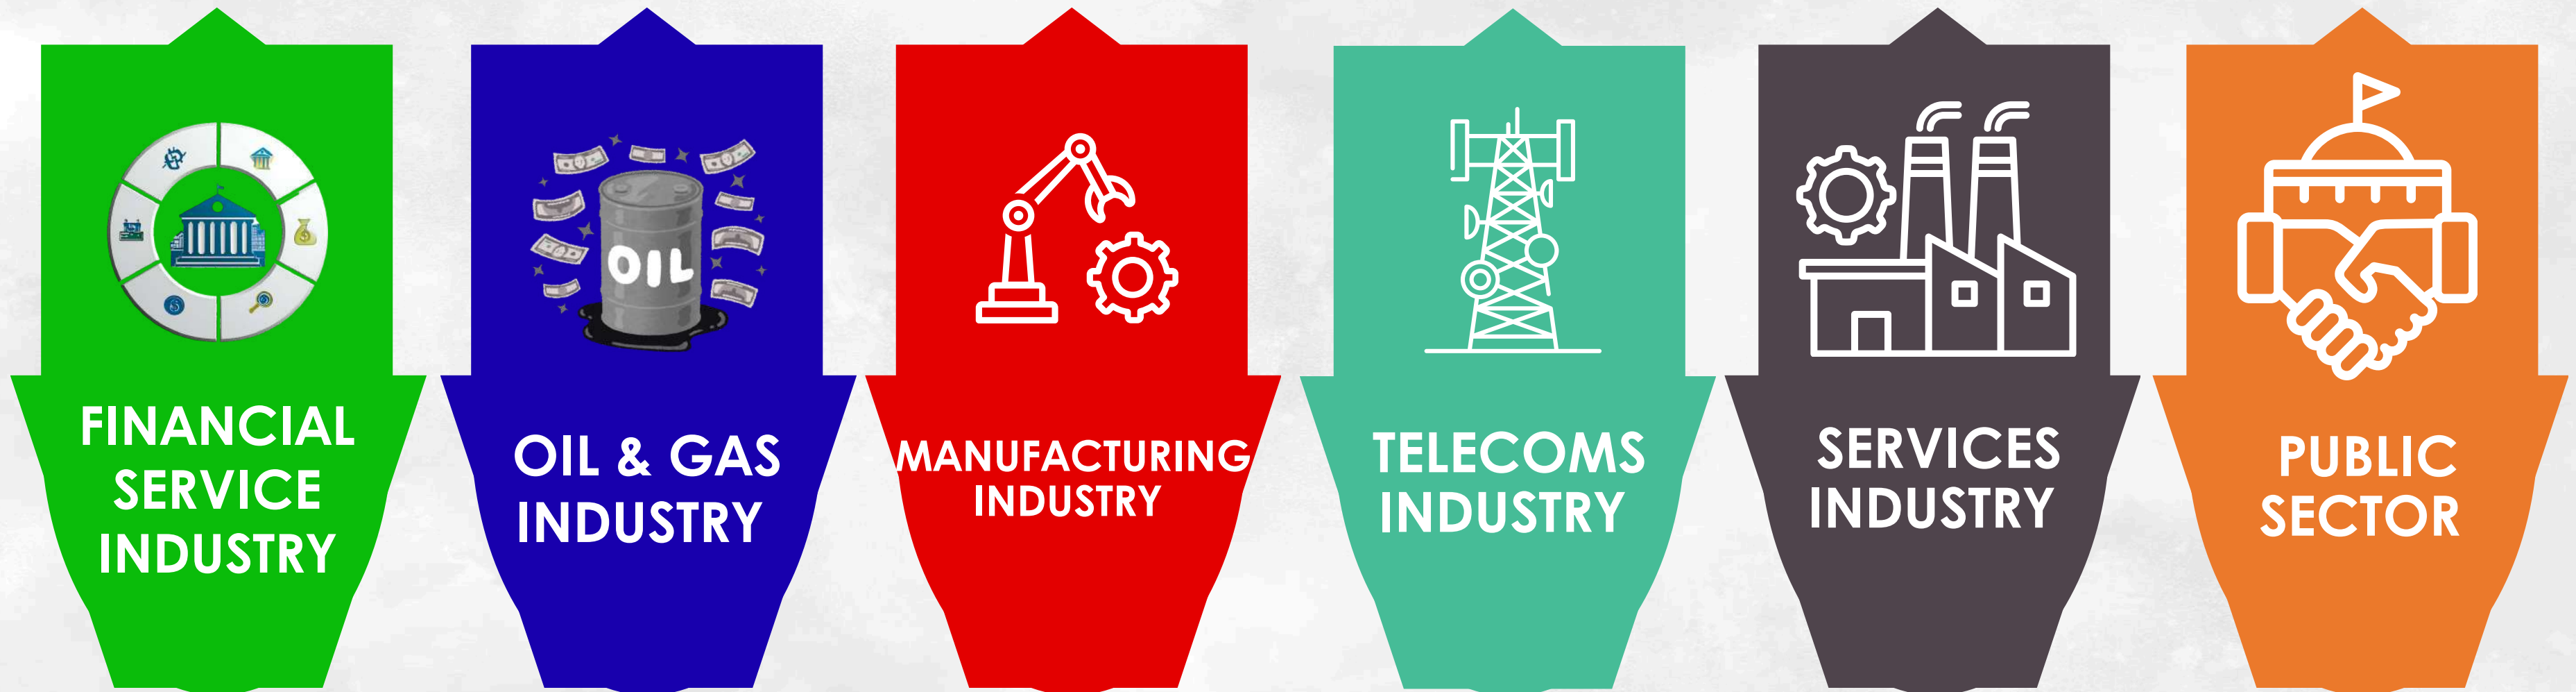

We provide bespoke training courses that cater to your unique learning and development need(s)

We can also deliver our training programmes virtually and on an in-plant basis

Our Capability Statement

- For close to three decades, we have been involved in providing critical capacity support to various sectors of the Nigerian economy including the:

Our Capability Statement

Our footprint extends beyond Nigeria as we have carried out training and consulting assignments for leading organizations in:

- Ghana
- Sierra Leone
- Gambia

as well as multi-lateral organizations like the IFC

Our Approach.....

Our Approach

● Our Learning & Development Intervention Approach

We deliver our learning and development interventions using global best practices.

OUR LEARNING APPROACH:

- Web-based delivery (virtual)
- Instructor led
 - Modular format
 - Theoretical Concepts
 - Discussion groups
 - Practical Exercises & Case Studies
- e-Learning

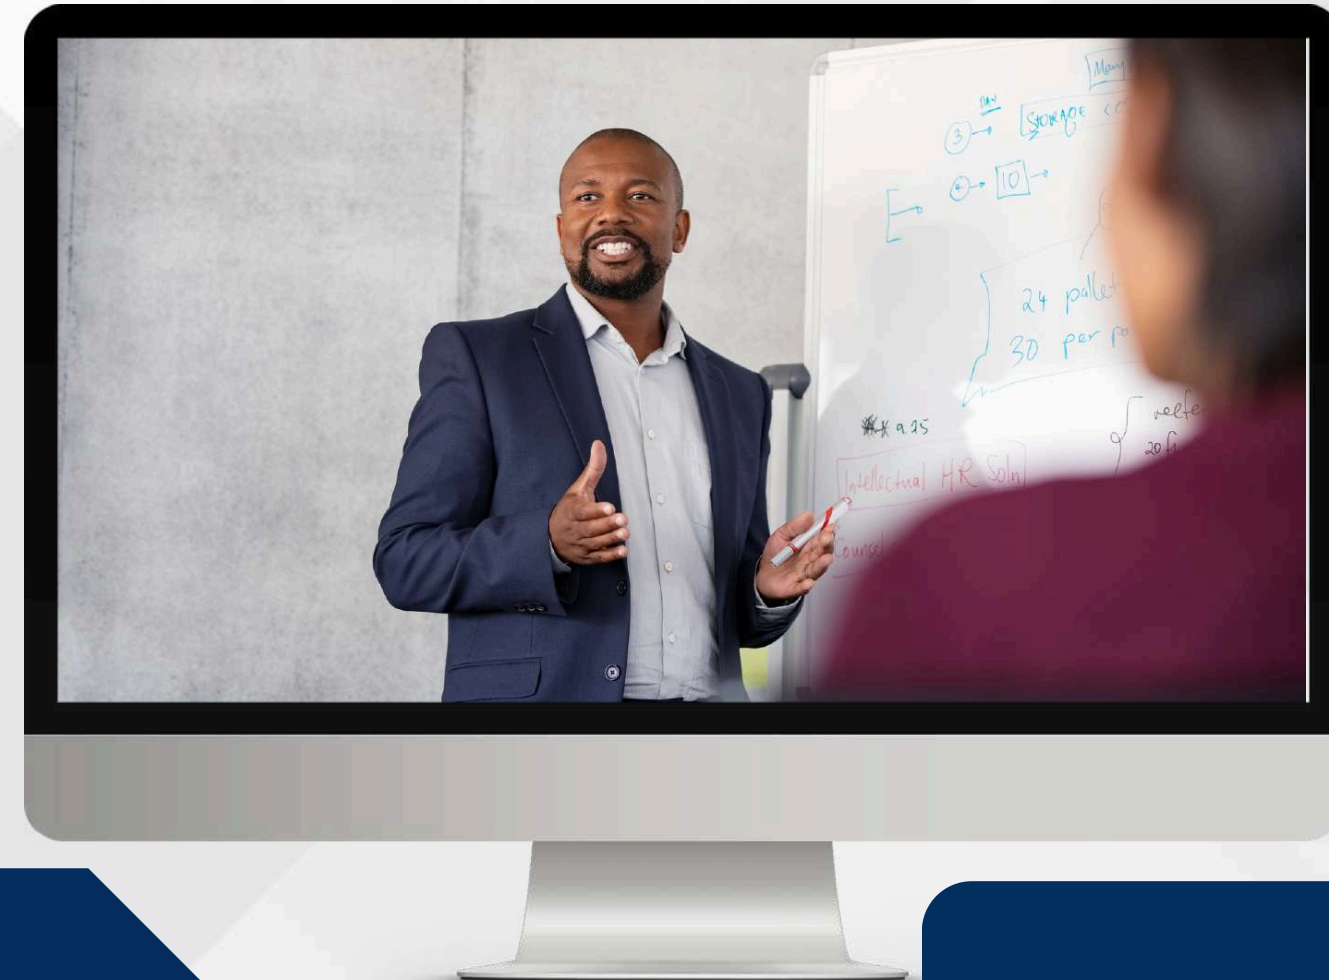

Our Methodology

- We deliver our learning and development interventions to global standards
- The courses will be delivered in modular formats either in a classroom or an online learning environment
- A combination of lecture, discussion, video and case study method will be used.
- Course materials will be sent ahead to the participants to study before the session.
- e-certificates will be given to the participants at the end of the virtual session.
